

# Bankable Solar Resource Assessment – Best Practices for PV and CSP

SOLAR 2010, Phoenix, AZ

Manajit Sengupta

May 20, 2010

# Introducing the CSP Best Practices Handbook

## Concentrating Solar Power: Best Practices Handbook for the Collection and Use of Solar Resource Data

**Expected in final form: End of June 2010**

- Why Solar Resource Data are Important to CSP
- Overview of Solar Radiation Resource Concepts
- Historical Solar Resource Data
- Measuring Solar Radiation
- Modeling Solar Radiation – Current Practices
- Applying Solar Resource Data to CSP Projects

# Our Speakers

---

Mr. Stephen Wilcox, NREL

Dr. Marcel Suri, GeoModel

Ms. Grace Drinker, Standard and Poor's

Mr. Adam Kankiewicz, Windlogics

Mr. Ray George, NREL

Dr. David Renne, NREL
